Mr. Dennis P. Gooch
President
Team Realty
338 Festus Centre Drive
Festus, MO 63028

Dear Mr. Gooch:

RE: Herculaneum Lead Smelter Superfund Site

Enclosed is a map that depicts the current surface soil lead concentrations for properties in Herculaneum. Surface soils at the site that are found to contain lead concentrations in excess of 400 parts per million will need to be replaced with clean soil.

Please contact me at 1-800-223-0425 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in black ink that reads "Bruce A. Morrison".

Bruce A. Morrison
Project Manager
Superfund Division
